Skills and Abilities

Adaptable to new working environment and able to adjust to different organisational cultures.

Priorities proper communication to allow work flow to be easier.

Willing to brainstorm ideas in order to overcome work challenges.

I am exposed to different editing software like Pinnacle studios, Final cut pro and Adobe premier.

I operate several cameras on manual settings. e.g. Sony 7s, Canon DSLRS, Panasonic P2 and Nikon DSLRS.

Always willing to follow the commands from my superiors.
