

THE VIKING NETWORK

PRODUCTION SERVICES

WHO WE ARE

We have over 20 years in the Broadcast, Media, Marketing and Advertising Industries. We have worked on productions for eNCA, CNBC, SABC, Chanel Swiss. NGO's and Organizations such as: SADC, AfDB, COMESA, BUSA, EAC and the African Union. Working in Rwanda for 8 years for The President of Rwanda and the Mayor of Kigali, doing Broadcast Media reputation building projects. As a result of these achievements in Rwanda we were asked to work closely with the Ambassador of Morocco, for the King of Morocco, doing Media projects on the History and Economic Future of Morocco and its People. More recently we have worked with

several Government and News Broadcasters on various Projects and have established a sound reputation amongst leading names in these sectors. We have the knowledge, experience and technology to make sure that the services you require, will surpass your expectations!
